

Product Technical Bulletin

PRODUCT NAME:

Strawberry! Wet Wax®

PART #:

22A
22

PACKAGE:

16 oz.
Gallon

PRODUCT CATEGORY:

Waxes, Polymers, & Sealants

COLOR:

Lt. Pink

SCENT:

Strawberry

ABRASIVENESS:

0 out of 10 (10 is highest amount of abrasive)

PRODUCT DESCRIPTION:

22- Strawberry! Wet Wax® is a non-abrasive, premium carnauba cream wax for use on clearcoat and conventional paint finishes. Creates a long lasting, deep high gloss. May be applied by hand, orbital buffer, or variable speed polisher. Excellent for use with foam pads. Great strawberry scent! VOC compliant.

DIRECTIONS:

Shake well. For hand application, use a wax applicator in overlapping, circular motions. Allow to haze, then remove with a soft, terry or microfiber towel. For machine application, apply to a small area and buff, at low rpm, to desired shine. Remove excess with a soft, terry towel.

SURFACE APPLICATIONS:

For high gloss and added surface protection of clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints.

ADDITIONAL USES:

Excellent on RVs, boats, motorcycles, bikes, and other painted surfaces.

HELPFUL TIPS:

It is best to remove all surface contamination with the use of Clay Magic detailing clay prior to application to ensure the highest performance of #22. This will also ensure easier application and removal. Do not apply wax in thick layers. Rotate the towel as you remove the wax.

SAFETY & HANDLING:
